ELIGIBILITY

- Funding is available to PETL members only, i.e., teachers who are under permanent contract or are probationary teachers.
 - *PETL Funding is **not available** to short or long-term occasional teachers as OTs, STOs and LTO as these workers are part of PEOT and can find funding information on their ETFO local website – www.peot.ca.*
- PETL Members **can access** PETL Status of Women Funding while on leave
- This funding should be accessed over and above STPDL, and regular PETL Conference/Course Funding in the same funding year (July 1 – June 30), but is specific to conferences or activities as described above.

GENERAL STATUS OF WOMEN ACTIVITY FUNDING INFORMATION

1. All approvals are contingent on the availability of funding, member eligibility, and adherence to these guidelines. The funding year runs from July 1 through June 30, and funding "resets" July 1st.

2. Members can apply for funding before they register for a conference or workshop, however, the activity must be open for registration or openly advertised to the public (e.g., “Save the date” on the organizer’s website). Please review the provider’s withdrawal and refund policies. You must include specific dates (month, day, year) on your application.
3. **Members must ensure that their application form is received no later than ten (10) school/work days prior to the conference or workshop dates.**
4. The deadline for processing applications for activities occurring during July 2024, August 2024 and September 2024 is the end of the PETL Office business day on Friday, June 21st, 2024 (4:00 PM).
 - a. Applications received after this date will not be processed until September.
 - b. Members can still send applications over the summer (for September activities), but the application **must be received no later than ten (10) school/work days prior to the conference or workshop dates**, and it will be processed in September.
 - c. The Office will begin processing new applications again when it reopens on August 26th, 2024.
 - d. Members who have applied for Conference funding for September 2024 activities should expect an approval email by Monday, September 9th, 2024. Members should refrain from sending follow up emails to inquire about the status of their application before this date.
5. The closure of the PETL Office for all school holidays, including the Winter and Spring breaks affects application timelines. Applications are not processed during these times. Applications can still be emailed but **must be received no later than ten (10) school/work days prior to the activity dates**.
6. Applications received outside of PETL Office business hours (8:00 AM – 4:30 PM) will be dated received on the next school day – members must consider this to ensure they follow Guideline 5 above.
7. Members can expect a response to their application in ten (10) school/workdays, excluding July and August and during school holidays. Members should refrain from sending follow up emails to inquire about the status of their application within this timeframe.
8. Unlike with PETL Conference Funding, members are not required to apply to STPDL prior to applying for Status of Women PL Funding, however, the Status of Women funding pot is limited and members should apply to STPDL & PETL Conference funding when eligible. Members may apply to both funds concurrently if total expected costs and/or occasional teacher coverage requirements surpass either fund’s limits. Members must indicate if they are not eligible for, or do not intend to apply to, STPDL. For PETL Status of Women PL Funding purposes, if you are making an STPDL application, it must be **for the full amount of an activity**, even if this total surpasses the STPDL maximum, and for all required occasional teacher days (up to the 2-day STPDL maximum). Members **may** apply to both PETL Status of Women PL Funding and STPDL concurrently for the same activity. In this case, please attach a copy of the STPDL application form. When available, STPDL is considered first payer for the calculation of PETL Status of Women PL Funding approvals and reimbursements.
9. Members must ensure that their application package is **received** by the PETL Office **at least 10 school/work days prior to the beginning of the activity** (count back 10 school days from the start date of a conference, not including weekends or holidays). Applications received outside of PETL Office business hours (8:00 AM – 4:30 PM) will be dated received on the next school day.

ELIGIBLE EXPENSES

1. Registration Expenses:

 - a) Transit, Parking and Mileage expenses can be requested.
 - b) If driving your personal vehicle to the activity, include a Google Map link to support the actual travel distance from home to conference or workshop venue or hotel. - Your approval is for the activity, dates, and maximum amounts listed on the approved application form.
- Your approval is **not transferable** to a different activity, different dates, or to another member.

- **Inform the Secretary-Treasurer immediately** if you are unable to attend the activity for which you were approved, or if STPDL or PETL Conference Funding will cover all your expenses.  - a. Use any STPDL approved and granted occasional teacher days first using CODE 67.
 - b. Use CODE 681 only for any PETL approved and granted occasional teacher days.
 - c. Use of Codes without approval could result in it being converted to an unpaid day.
- Keep receipts for all *approved and eligible* expenses as they are required for reimbursement.
- Flag or pin your approval email for easy reference later.

To Be Reimbursed *After* Your Approved Activity

IMPORTANT – For the purposes of reimbursement, STPDL is considered first payer, then PETL Conference Funding and finally PETL Status of Women Funding. This means when your expenses are under the total maximum reimbursable from STPDL & PETL Conference & PETL Status Funding combined, \$500, then \$400 will be subtracted from your PETL Status of Women Funding reimbursement. Please ensure you send \$500 worth of receipts to STPDL following the STPDL Guidelines and send any remaining receipts for PETL *approved and eligible* expenses to PETL with a calculation of your anticipated reimbursement from PETL Conference Funding & PETL Status of Women Funding which will be subject to receipt verification and adherence to the Guidelines.

Submit the following to PETL in reply to your approval email within 90 days:

- i. A copy of your approved PETL Status of Women PL Funding Application Form or Approved Application Number **s##-2425**.
- ii. Receipts for approved and eligible expenses (see ELIGIBLE EXPENSES above) from the conference (copies are acceptable – keep copies for yourself).
 - Any expenses in US dollars must show conversion to Canadian dollars through a credit card statement.
 - When splitting costs for hotel accommodations with colleagues, include cost sharing and attribution of expenses.
 - Include your STPDL *Accounts Payable Direct Deposit Statement* and *Mileage Request Form Approval* (both of which will show a dollar amount).
 - Calculate your anticipated PETL reimbursement of the remaining beyond the \$500 reimbursed by STPDL (see *IMPORTANT* note above).
- iii. Work location to which your reimbursement cheque will be sent in the courier (home mailing address for Central Staff or members on leave).

NOTE ON DENIED APPLICATIONS

Applications may be denied for a variety of reasons (e.g., late, incomplete, etc.), the reasons for which will be shared in the response to the applicant. A denied application does not preclude a member from being able to reapply or submit a new application, however, any resubmission will be treated as a new application and is subject to all guidelines.

FORWARD ALL APPLICATIONS, FORMS AND RECEIPTS BY EMAIL TO:

Julia Allen, Secretary-Treasurer, treasurer@etfopeel.com
