GENERAL COURSE FUNDING INFORMATION

1. All approvals are contingent on the availability of funding, member eligibility, and adherence to these guidelines. The funding year runs from July 1 through June 30, and funding “resets” July 1st.
2. Members can apply for funding before they register for a course, however, it must be open for registration at the time of application or openly advertised to the public. You must include specific dates (month, day, year) on your application.
3. **Members must ensure that their application form is received no later than the published end date of the course.**
4. SUMMER SESSION COURSES:
 - The deadline for processing applications for summer session courses occurring during July 2025 and August 2025 is noon (12:00 PM) on Thursday, June 26th, 2025.
 - Applications received after this date will not be processed until September.
 - Members should send applications over the summer, but the application **must be received by the course end date**, and it will be processed in September. You will get an autoreply from the treasurer@etfopeel.com email to confirm receipt. *Late applications will be denied.*
 - The Office will begin processing new applications again when it reopens on August 26th, 2024.
 - Members who have applied for Course funding over the summer should expect an approval email by Reorganization Day. Members should refrain from sending follow up emails to inquire about the status of their application before this date.

5. The closure of the PETL Office for all school holidays, including the Winter and Spring breaks affects processing timelines. Applications are not processed during these times. Applications can still be emailed but ***must be received by the course end date***.
6. Applications received outside of PETL Office business hours (8:30 AM – 4:30 PM) will be dated received on the next school day – members must consider this to ensure they follow Guideline 5.
7. Members can expect a response to their application in ten (10) school/workdays, excluding July and August and during school holidays. Members should refrain from sending follow up emails to inquire about the status of their application within this timeframe.

- Your approval is **not transferable** to a different course, different dates, or to another member.

Questions about PETL & STPDL Funding Reimbursements can be sent to treasurer@etfopeel.com

Submit the following in reply to your approval email within 90 days:

- i. Proof of course payment (e.g., receipt, copy of student record or credit card/banking statement).
- ii. Proof of your successful completion of the approved course (e.g., transcript, letter/email from instructor).
- iii. Work location to which your reimbursement cheque will be sent in the courier (home mailing address for Central Staff or members on leave).

NOTE ON DENIED APPLICATIONS

Applications may be denied for a variety of reasons (e.g., late, incomplete, etc.), the reasons for which will be shared in the response to the applicant. A denied application does not preclude a member from being able to reapply or submit a new application, however, any resubmission will be treated as a new application and is subject to all guidelines.
