

PETL Fall Steward Training

Friday, October 24, 2025

The Steward is the heart and soul of the labour movement. They know that the union is an instrument to help us chart a future for ourselves, to gain a sense of control over our work.

PETL ACKNOWLEDGEMENT OF TRADITIONAL TERRITORY

In the spirit of Truth and Reconciliation, the Peel Elementary Teachers' Local acknowledges that we are gathered today on the customary and traditional lands of the Indigenous Peoples of this Territory.

ETFO HUMAN RIGHTS STATEMENT

The Elementary Teachers' Federation of Ontario is committed to:

- providing an environment for members that is free from harassment and discrimination at all provincial or local federation sponsored activities;
- fostering the goodwill and trust necessary to protect the rights of all individuals within the organization;
- neither tolerating nor condoning behaviour that undermines the dignity or self-esteem of individuals or the integrity of relationships; and
- promoting mutual respect, understanding and co-operation as the basis of interaction among all members.

Harassment and discrimination on the basis of a prohibited ground are violations of the Ontario Human Rights Code and are illegal. The Elementary Teachers' Federation of Ontario will not tolerate any form of harassment or discrimination, as defined by the Ontario Human Rights Code, at provincial or local federation sponsored activities.

STATEMENT IN HONOUR OF THE BLACK DIASPORA

We also acknowledge that this country would not exist if it wasn't for the free, enslaved labour of Black people. We honour the legacy of the African diaspora and Black life, knowledge and skills stolen due to violence and white supremacy. While the movement for justice and liberation is building and we are witnessing the power of the people, many are still being met with violence and even being killed. We pause today in honour of Black and Indigenous ancestors who have passed and who have paved the way for us.
